

## Martian King

Christie

Take me to the Martian king  
I'm gonna tell him everything  
Tell him 'bout the bombs we make  
Not to make the same mistake

Take a message to the moon  
Tell them that I'm coming soon  
Take a message to the sun  
Tell him that the devil won

Up into the stars  
I'll fly upon your mighty wing  
Take me to your leader  
Take me to the Martian king

Gonna get a one-way ticket  
Gonna get a one-way fare  
Gonna get a one-way ticket  
Leave the planet Earth  
For another world
