I Turn To You

Christina Aguilera

When I'm lost in the rain,
In your eyes I know I'll find the light to light my way.
When I'm scared and losing ground;
When my world is going crazy, you can turn it all around.

And when I'm down you're there; pushing me to the top.
You're always there; giving me all you've got.

For a shield from the storm;
For a friend; for a love
To keep me safe and warm,
I turn to you.
For the strength to be strong;
For the will to carry on;
For everything you do;
For everything that's true,
I turn to you.

When I lose the will to win,
I just reach for you and I can reach the sky again.
I can do anything,
'Cause your love is so amazing; 'cause your love inspires me.

And when I need a friend, you're always on my side;
Giving me faith that gets me through the night.

For a shield from the storm;
For a friend; for a love
To keep me safe and warm,
I turn to you.
For the strength to be strong;
For the will to carry on;
For everything you do;
I turn to you.

For the arms to be my shelter through all the rain;
For truth that will never change;
For someone to lean on;
For a heart I can rely on through anything;
For that one who I can run to...
I turn to you.

For a shield from the storm;
For a friend; for a love
To keep me safe and warm,
I turn to you.
For the strength to be strong;
For the will to carry on;
For everything you do;
For everything that's true,
I turn to you.

For a shield from the storm;
For a friend; for a love
To keep me safe and warm,
I turn to you.
For the strength to be strong;

```
For the will to carry on;
For everything you do;
For everything that's true...

For everything you do;
For everything that's true,
I turn to you...
```
