## You Lost Me

## **Christina Aguilera**

I am done, smoking gun We've lost it all, the love is gone She has won, now it's no fun We've lost it all, the love is gone

And we had magic
And this is tragic
You couldn't keep your hands to yourself

I feel like our world's been infected And somehow you left me neglected We've found our lives been changed Babe, you lost me

And we tried, oh how we cried We lost ourselves, the love has died And though we tried you can't deny We're left as shells, we lost the fight

And we had magic
And this is tragic
You couldn't keep your hands to yourself

I feel like our world's been infected And somehow you left me neglected We've found our lives been changed Babe, you lost me

Now I know you're sorry and we were sweet But you chose lust when you deceived me And you'll regret it, but it's too late How can I ever trust you again?

I feel like our world's been infected And somehow you left me neglected We've found our lives been changed Babe, you lost me
