

## Thank You

Christina Milian

Once upon a time I walked an easy road  
Didn't think I needed anyone.  
I could make it on my own  
Never thought about tomorrow, just livin' day to day  
Never thought these clouds would come along  
And bring me so much pain  
When my world was upside down  
I didn't think that I could make it,  
Reached out my hand for you  
And you were there to take it

I wanna thank you  
For being my strength when I thought I couldn't go on  
And I wanna thank you  
be,  
'til I get over you

Walked through the park, in the evening air  
I heard a voice and I thought you were there  
I run away but I just can't escape  
Memories of you everywhere  
They say that time will dry the tears  
But true love burns for a thousand years  
Give my tomorrows for one yesterday  
Just to know that I could have you here

When will this river of tears stop fallin'  
Where can I run so I won't feel alone  
Can't walk away when the pain keeps callin'  
I've just gotta take it from here on my own  
But it's so hard to let go
