Christine and the Queens

Daylight
Has never been kind to me
As I am seeking in the sea
Always looking for the light
All my favorite memories
Stop and linger in one night

Sunset
Like adrenaline
Eyes going down, I'm feeling sore

Lights then fall upon my face
I am a rock, I am a wolf

I've never been so alive
Wish I could stand like this all night
I've got the feeling that I

Don't wanna know what's going on
In the world outside my door
The night is never long enough
Always begging for more

I've never been so alive
Wish I could stand like this all night
I've got the feeling that I
I'm gonna be the last one standing
If you wanna keep up with me
You gotta match my energy
Try and see up and you'll see
I'm gonna be the last one standing

I'm gonna be the last one standing
Oh (Yeah), I'm gonna be the last one standing
I'm gonna be the last one standing
I'm gonna be the

I'm gonna be the last one standing
I'm gonna be the
