Christine McVie

Turn the lights down low babe whisper in my ear
You don't have to say that you love me just as long as you are
here

Close to me close to me

Close to me close to me

Don't leave me baby don't leave me now

You don't have to say that you love me just as long as you are
near

Love me baby

Please please won't you love me baby

Please please won't you say you're mine
