

Crazy 'Bout You Baby

Christine McVie

I can't sleep at night
I cat nap through the day
I can't go on much longer, baby
Living this way
Don't you know that I'm crazy about you, baby

But you don't care
Nothing in the world for me
Don't you know that I'm wild about you, baby
But you don't care nothing in the world for me

There ain't but one thing, baby

Makes your baby drink
To hear you say you don't love me
And then I begin to think

Sometimes I sit and wonder
What am I going to do?
I just about try hard enough
That I forget about you
Hook, line and sinker
Don't you know that you're driving me to drink?
