

# Afraid with You

Christon Gray

I'm not afraid to watch you go  
And I'm not afraid to watch you leave  
(Ba-da-da-da)  
I'm not afraid to say good-bye  
And I'm not afraid to set you free

It's one in the morning  
And I'm trying to ignore it  
But this problem isn't going away  
I'm tired of fighting  
And I'm tired of writing  
So hard to find the words to say

I'm not afraid of the games that we'll play  
Or afraid of us fading away  
With the ups and the downs we've been through  
I'm so afraid of the way I love you

I can't explain what I don't know  
And I can't explain what is gon' be  
(Ba-da-da-da)  
With all this pain I love you so  
As long as it ends with you and me

Two in the morning  
I don't know what I'm doing  
And this problem isn't going away  
I'm tired of fighting  
And I'm tired of writing  
So hard to find the words to say

I'm not afraid of the games that we'll play  
I'm not afraid of us fading away  
I'm not afraid that you'll always be true  
But I'm afraid of the way I love you

But I don't want to see you go  
And I don't want to watch you leave  
(Ba-da-da-da)  
I'm giving up on all my pride  
So I can give you all of me

It's three in the morning  
I'm trying to ignore  
The problem isn't going away  
So I'll keep on fighting  
And keep on writing  
'Till I find the words to say

I'm not afraid of the games that we'll play  
Or afraid of us fading away  
I'm not afraid that you'll always be true  
But I'm afraid of the way I love you

One thing better  
Than being afraid with you  
One thing better

Than being afraid with you  
But the thing that's better  
Than being afraid with you  
Is getting better
