

Mistletoe

Christon Gray

Who am I to judge, I am not a angel
All I did was love you, love you when I was able

Here we are, here we are under the mistletoe once again
Kissing this last year goodbye
Here we are, here we are again
Kissing the time away, the time away

And I will always love you with all of my heart
And I will always love you with all of my heart
And my soul

No no no no...

Under the mistletoe
Kiss me goodbye under the mistletoe

And I will always love you with all of my heart
And I will always love you with all of my heart
And my soul

No no no no...

If you love me you let me go tonight
If you love me this wont be the last time
