

## Time Out

Christon Gray

They don't know, they gon' find out  
Let's be clear, over here ain't no timeouts

I came here to win, whatchu mad about? TIME OUT  
Get up out my lane, you don't have the clout TIME OUT  
Nothing you can do that'll stop me now TIME OUT  
The game is on the line and there's no Time Outs  
I ain't never calling Time Out  
I ain't never calling Time Out  
No, Time Out Time Out  
I ain't never calling Time Oooooooooout  
If they don't know, they gonna find out  
Let's be clear, over here ain't no Time Out

I show better than I tell  
Spent the last year stayin outta hell  
Been in a knock down, drag out, didn't foul out  
I got up every time I fell  
May think I'm the underdog  
But just watch, I'ma prove you wrong  
Cause I was made for this moment and prepared for opponents  
Look up and I'm taking off  
Now it seems like you're shaken up  
Look tough, till I called your bluff  
You've been exposed, everybody knows, now you gotta go  
That's the rules, I ain't make 'em up  
Bout to lose, yuh it's too clear  
You dropped the ball, Happy New Year  
Everybody count down, seconds on the clock now, nothing else to see here  
You better call Time Out

I came here to win, whatchu mad about? TIME OUT  
Get up out my lane, you don't have the clout TIME OUT  
Nothing you can do that'll stop me now TIME OUT  
The game is on the line and there's no Time Outs  
I ain't never calling Time Out  
I ain't never calling Time Out  
No, Time Out Time Out  
I ain't never calling Time Oooooooooout  
If they don't know, they gonna find out  
Let's be clear, over here ain't no Time Out

It's the life of a champion  
Now I'm catching my second win  
(You know) The battle maybe over, but the war got colder  
It gets hard every now and then  
See I was saved as a little kid  
Knowing grace covered all I did  
I take a look at the past, with the good and the bad  
Man, we call that experience  
So I'm planning a strategy  
I can't downplay the enemy  
Cause I'm making another move, bout gettin W's  
Cementing my legacy  
Now tell 'em bring everything they got  
And I'ma show' em everything they not  
With the game on the line and the Lord on my side

You know I live for the final shot

I came here to win, whatchu mad about? TIME OUT  
Get up out my lane, you don't have the clout TIME OUT  
Nothing you can do that'll stop me now TIME OUT  
The game is on the line and there's no Time Outs  
I ain't never calling Time Out  
I ain't never calling Time Out  
No, Time Out Time Out  
I ain't never calling Time Oooooooooout  
If they don't know, they gonna find out  
Let's be clear, over here ain't no Time Out

Take notes if you wanna learn  
It'll stop you from getting burned  
There's a spot on the podium, dive if you wanna swim  
This one you gotta earn  
Trophy's in the showcase  
And they all sayin' first place  
When the accolades pile up  
It was only by the Lord's grace  
Now the odds are against us  
But it's God who defends us  
So I'm carrying the weight, when I step to the plate  
And still swing for the fences  
Got the coach on the sidelines  
Tellin' me it's my time  
It sounds cliché, but you know what we say  
Always gotta let you light shine  
I'll never call time out

I came here to win, whatchu mad about? TIME OUT  
Get up out my lane, you don't have the clout TIME OUT  
Nothing you can do that'll stop me now TIME OUT  
I'ma get whats mine before the time runs out  
I ain't never calling Time Out  
Don't know you're gonna find out  
No, Time Out Time Out  
You ain't never catchin' Time Oooooooooout  
Shut it down, turn the lights out  
Now we're clear, over here ain't no Time Out
