

No One Else

Christophe Willem

L.O.V.E, babe, it's so confusing
'Cause the deeper I'm in, the further I'm away from knowing
Every growing, if I've blown it, don't know if I'm coming or going.

I don't want no one else 'cause no one else will ever do.
I don't want no one else 'cause no one else will ever do
But you, but you, just you and no one else but you.
Just you, yes, you and no one else but you don't want me.

I'm so close to it, can almost taste it
Silent sweet on my tongue, but I'm only ever one beat from losing.
What was grooving gets confusing
When you kiss, don't match the words that you're using.

I don't want no one else 'cause no one gets me like you do.
I don't want no one else 'cause no one else will ever do
But you, but you, just you and no one else but you.
Just you, yes, you and no one else but you don't want me.

Your eyes speak louder than the voice that calls me back to you
.
What love created must destroy, what else can my heart do?

I don't want no one else 'cause no one else will ever do.
I don't want no one else 'cause no one else will ever do
But you, but you, just you and no one else but you.
Just you, yes, you and no one else but you don't want me.
