

Alvah (In Memory Of Rob Meuer)

Christopher Cross

Hey my friend
Guess you're in the wind
Finding open spaces
Where your soul can roam

We miss you so
But we know you know
Your light will shine forever
Here at home

Hey my friend
Guess you're in the wind
Finding open spaces
Where your soul can roam

I miss you so
But we know you know
Your light will shine forever
Here at home

Hey my friend
Guess you're in the wind
Finding open spaces
Where your soul can roam

I miss you so
But I know you know
Your light will shine forever
Here for me at home
