Haila

Haila  
So elusive and sublime  
Need you more than ever  
Here in this place and time

Haila  
So alluring and divine  
Lift us to the ether  
Truth is so crystalline

Haila  
So elusive and sublime  
Need you more than ever  
Here in this place and time

Haila  
So alluring and divine  
Lift us to the ether  
Truth is so crystalline

Haila  
So please mend our hearts and minds  
Lift us to the ether  
Love is so crystalline
