## **Never Be The Same**

## **Christopher Cross**

It was good for me It was good for you Now nothing either of us can say or do Can change the way you feel tonight Sometimes love just slips out of sight

Just one thing before you go Just one thing that you've got to know No one will ever touch me that way The way that you did that very first day

And I'll Never be the same without you here I'll live alone Hide myself behind my tears No I'll Never be the same without your love I'll live alone Try so hard to rise above

The years go by There's always someone new To try and help me forget about you Time and again it does me no good Love never feels the way that it should

I loved you then I guess I'll love you forever And even though I know we could never stay together I think about how it could've been If we could just start all over again

And I'll Never be the same without you here I'll live alone Hide myself behind my tears No, I'll Never be the same without your love I'll live alone Try so hard to rise above

It was good for me It was good for you Now nothing either of us can say or do Can change the way you feel today Sometimes love just slips away

Just one thing before you go Just one thing that you've got to know No one will ever touch me that way The way that you did that very first day

And I'll Never be the same without you here I'll live alone Hide myself behind my tears Hey...I'll Never be the same without your love I'll live alone Try so hard to rise above
