

# Open Your Heart

Christopher Cross

It's a lonely ride on Noah's ark  
Takin' a shot into the dark  
Hopin' that someone will see the spark  
Of the light in you

Noah's ark to the ship of fools  
Didn't we break all the golden rules  
Caught in the dance of the hours

Open your heart 'til everyone's in  
It's never too late to believe and begin  
Open your heart 'til everyone's in  
You can wish on the light of a star 'til the end

Everyone's out on the open sea  
We're all a part of the mystery  
You know how lonely it can be  
Surviving

You say you're gonna settle down  
Just play guitar and walk around  
Until you turn into the sound  
Of laughter

Some do believe we came out of the sky  
And at the end we will fly
