

# Swept Away

Christopher Cross

I never had anything happen so fast  
Took one look and I shattered like glass  
I guess I let it show  
Cause your smile told me you knew  
That you're everything I ever wanted at once  
There's no holding this heart  
When it knows what it wants  
And I never wanted anything more than to know you

I was swept away  
No one in the world but you and I  
Gotta find a way  
To make you feel the way that I do  
I was swept away  
Without a warning  
Like night when the morning begins the day  
I was swept away

And so it begins  
This journey of love  
The summer wind carries us to places all our own  
The words of a look  
The language of touch  
The way that you want me means so much  
And I never wanted anything more  
Than to love you

I am swept away  
No one in the world but you and I  
Gotta find a way  
To make you feel the way that I do  
I am swept away  
Without a warning  
Like night when the morning begins the day  
I was swept away  
Away, seeing my tomorrow's in your eyes  
I was swept away

Oo, I hope I wake up soon  
Oo, I'm a victim of that crazy moon

The very first time you said my name  
I knew it would never sound the same  
Something about me has changed forever

Can't you see I am swept away  
No one in the world but you and I  
Gotta find a way  
To make you feel the way that I do  
I am swept away  
Without a warning  
Like night when the morning begins the day  
I was swept away  
Away, seeing my tomorrow's in your eyes  
Gotta find a way  
To make you feel the way that I do  
I was swept away

Without a warning  
Like night when the morning begins the day  
I was swept away  
We were swept away  
Dreaming of you  
Swept away
