

Take Me As I Am ☹

Christopher Cross

Faith will you absolve me
Or hold me to fire
For all for all the fools I've been
Could you abide me
Trust this lonely squire
And take me as I am

Faith will you trust me
Forgive this naked liar
For all my wayward sins
Could you embrace me
And find it in your heart
To take me as I am

Faith will you absolve me
Or hold me to fire
For all for all the fools I've been
Could you abide me
Trust this lonely squire
And take me as I am

Faith will you trust me
Forgive this naked liar
For all my wayward sins
Could you embrace me
And find it in your heart
To take me as I am

Take me as I am
Take me as I am
