

Fall So Hard

Christopher

Ha-ha, ha, ha-ha, ha, ha, ha, ha, hard
I could fall so hard
Ha-ha, ha, ha-ha, ha, ha, ha, ha, hard

Well, I thought I was already home
'Til you came in like a wrecking ball

So where do we go, where do we go from here?
When all that we know is nothing at all, my dear

Never knew that I could fall so
Heavy when I met you, I never knew I could fall so hard
Oh, oh, oh
Make me wanna change for the better because of who you are
Oh, oh, oh
Every little thought was about me, was always about you
Oh, oh, oh
Heavy when I met you, I never knew I could fall so hard
Never knew I could fall so ha-ha, ha, ha-ha, ha, ha, ha, ha, hard
I could fall so ha-ha, ha, ha-ha, ha, ha, ha, ha, hard

Now he creeps in all my fears for you
For the first time I got everything to lose
So where do we go, where do we go from here?
When all that we know is nothing at all, my dear

Never knew that I could fall so
Heavy when I met you, I never knew I could fall so hard
Oh, oh, oh
Make me wanna change for the better because of who you are
Oh, oh, oh
Every little thought was about me, was always about you
Oh, oh, oh
Heavy when I met you, I never knew I could fall so hard
Never knew I could fall so ha-ha, ha, ha-ha, ha, ha, ha, ha, hard
I could fall so ha-ha, ha, ha-ha, ha, ha, ha, ha, hard

Wherever you go, wherever you go, I'll be there
And all that I know is wherever you go, I'll be there
Never knew I could fall so ha-ha, ha, ha-
ha, ha, ha, ha, ha, ha, hard (I never that I could)
Never knew I could fall so ha-ha, ha, ha-ha, ha, ha, ha, ha, hard

Never knew that I could fall so
Heavy when I met you, I never knew I could fall so hard
Oh, oh, oh
Make me wanna change for the better because of who you are
Oh, oh, oh
Every little thought was about me, was always about you
Oh, oh, oh
Heavy when I met you, I never knew I could fall so hard
Never knew I could fall so-
