

## Fools Gold Pt. I

Christopher

At the edge of the night  
The heart of the fire  
Mm

Right there  
From your hall to your bed  
Holding on to a thread  
Easy  
To leave

'Cause you ain't living if you're holding back  
A kiss is better when you give it back  
It's just the way it is  
The way it goes

And if that lonely road leads back home  
You better keep on keeping cold  
When you found fools' gold

Fools' gold

Hey, Ma  
I hope you agree  
He constantly leaves us  
Right there I wish we were enough  
We're competing in love  
That's tough

'Cause you ain't living if you're holding back  
It gets better when he gets back  
It's just the way it is  
The way it goes

And one day when you get old  
You'll be running down that same road  
Just to find fools' gold

When you found fools' gold

At the edge of the night  
The heart of the fire  
Mm
