

## Fools Gold Pt. II

Christopher

Say my name but don't wear it out  
Here's the way but it's no way out  
You can even buy love in the streets tonight  
Writing's on the wall but just spell it out

Lights gold  
Hard to hold

Before I forget can you show me heaven?  
For my eyes won't let me see how far it goes  
Tell me do you know fools' gold?

Am I home yet 'cause it's been forever  
And my eyes won't let me see how far it goes?  
Tell me if you know if it's fools' gold

If it's too good to be true you're on the wrong road  
I'm too young to regret falling for fools' gold  
If they're selling the dream it ain't a ticket home  
Show me the power of love when it's vertical

Before I forget can you show me heaven?  
For my eyes won't let me see how far it goes  
Tell me do you know fools' gold?

Am I home yet 'cause it's been forever  
And my eyes won't let me see how far it goes?  
Tell me if you know if it's fools' gold
