

Stones

Christopher

Ooh-oooh, ooh, ooh
Ooh-oooh, ooh, ooh
Ooh-oooh, ooh-oooh, ooh-oooh
Ooh, ooh-oooh, ooh-oooh

I'm not gonna lie, still fresh on my mind
All those summery nights, still my favorite July
Still my hardest goodbye
Some things ain't built to last, I'm not askin' why (Yeah)
We went separate ways and it's all okay
We were young anyway, we were crazy to say
"Let's get married someday"
Lookin' back and I laugh, wouldn't change a thing, no way

And I just can't help but think
Are you ever wondering
All of these memories
How can we leave 'em be?

Like stones, thrown at the ocean
Forgotten at the bottom, baby
How can we leave 'em be?
Like stones, thrown at the ocean
Forgotten at the bottom, baby
How can we leave 'em be like stones?

When I think of you, I get a little blue
I see a photo of us from that photobooth
You put up in your room, miss your attitude, yeah

And I just can't help but think
Are you ever wondering
All of these memories
How can we leave 'em be?

Like stones, thrown at the ocean
Forgotten at the bottom, baby
How can we leave 'em be?
Like stones, thrown at the ocean
Forgotten at the bottom, baby
How can we leave 'em be like stones?

Can't say I never lied, no
Can't say I never cried, no
But I'm just really happy bein' part of your life
Tell me you're just happy bein' part of my life
Don't remember every night now
Don't remember every smile now
Memories are fadin' but I know we just leave 'em be like stones

Ooh-oooh, ooh, ooh
Ooh-oooh, ooh, ooh
Ooh-oooh, ooh-oooh, ooh-oooh
Ooh, ooh-oooh, ooh-oooh
How can we leave 'em be like stones?
