

Twerk It Like Miley ft. Brandon Beal

Christopher

(Verse)

Hey, girl, this yo song, let's see that padonkpadodon
I'mma try to do the things that you don't
Baby, it's yo party, I just wanna play
What's that sound? What's that thang that's got me like wow?
I'm tryna beat beat it up third rounds
Girl, look at that body, I just gotta say

(Pre-Chorus)

When you back back back back back it up
And you drop it down low
And you pick pick pick pick pick it up
Girl, I'm ready to blow
I'mma stack stack stack stack stack it up
And I'm spending it all
When I throw throw throw throw it up

(Chorus x6)

Start twerkin' like Miley

(Verse)

You got everybody in this club lookin' at you girl
How you move that thing from side to side
Fuck everybody in this club, cause I got you girl
I'mma tell you what's goin' down tonight
Girl, it's gon' rain, that's that sound
That's that shit that's got you like wow
And would you let me beat beat twelve rounds
Baby, look at that body, I just gotta say

(Pre-Chorus)

you back back back back back it up
And you drop it down low
And you pick pick pick pick pick it up
Girl, I'm ready to blow
I'mma stack stack stack stack stack it up
And I'm spending it all
When I throw throw throw throw it up

(Chorus x6)

Start twerkin' like Miley

Now you wore them jeans
so I can see that thong thong thong thong thong
thong thong thong thong thong
pop it like Miley
And don't forget that tongue tongue tongue tongue
tongue tongue tongue tongue tongue tongue

Twenty more shots then I pass out
that's what I'm aiming for
Baby, let me drown
when I wake up, still in the club
Looking at the DJ, like turn my shit up

So when the beat beat beat beat beat drop
get your ass on the floor

Start twerk it like Miley
Start twerk it like Miley
Start twerk it like Miley
Start twerk it like Miley
Right beside me
