

Your Love Is Moving

Christy Nockels

The hem of your robe is where our healing lies
The wounds in your hands are where our life resides
Your love is moving, moving among us

We're desperate to see the beauty of your face
We're longing to know the wonders of your grace
Your love is moving, moving among us

So we reach, we reach our hands to you
Our god, you are here and your mercies are new
We fall, we fall in worship to you
Our god, you are here and in your power you move

The faith in our hearts is how we welcome you
The joy in our lives is your love breaking through
Your love is moving, moving among us
