

Losing Myself

CHROM

I'm walking around
And all see is her
She is the one
The woman I prefer
It's taking my mind
The moment she is near
Finally I'm breaking inside
The time to disappear

I'm losing myself
For the last time
Try to find out
What it's like
I'm losing myself
For the last time
Hope that you will
Be mine

I'm losing myself
For the last time
Try to find out
What it's like
And I try to be not scared
For the last time
Open my eyes
All the time

Now I regret
The things that I have done
Everything that I've said
Just make me wanna run
They say it's absurd
That she could love a creep
Don't wanna hear a word
Don't wanna fall too deep
