

## Subway

### Chroma Key

It was five o'clock 'cause I checked my watch  
When I woke back up on the subway  
And I missed my stop it was 10 blocks back  
But I liked my seat so I kept it  
And I'm still surprised that you stayed with me  
'till my first mistake of the century  
It was so extreme I controlled my dreams  
With the radio and the late show
