

# Famous Monsters

## Chromatics

Famous monsters  
In a high rise  
Full moon  
Palm tree  
Cigarette  
Hotel lobby  
We are your dream  
Famous monsters  
Make no mistake  
We never wake  
We never die

Marble mansion  
Private party  
Manicured lawn  
To house strange blood  
Famous monsters  
Drive alone  
Cruising the hills  
They come alive  
In black and white  
Meet you in the cemetery

We love dancing  
And violence  
Beneath dirt  
Below earth  
Make no mistake  
We never wake  
We are your dream  
We never die

Famous monsters  
In a high rise  
To drink strange blood  
Silhouette  
Cigarette  
Make no mistake  
We never wake  
We never die  
We are your dream

Dream  
Dream  
Dream  
Dream

Meet you in the cemetery  
We love dancing  
And violence  
We never die  
Make no mistake  
We are your dream  
Private party  
Manicured lawn  
To house strange blood  
Famous monsters

Drive alone  
Cruising the hills  
They come alive  
In black and white  
Meet you in the cemetery  
Past the rusted gate  
We love dancing  
And violence  
Beneath dirt  
Below earth  
Marble mansion  
Private party  
Imported crystal  
To drink strange blood
