

Shadow

Chromatics

Shadow, take me down
Shadow, take me down with you

For the last time
For the last time
For the last time
For the last time

You're in the water
I'm standing on the shore
Still thinking that I hear your voice

Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?

For the last time
For the last time
For the last time
For the last time

At night I'm driving in your car
Pretending that we'll leave this town
We're watching all the street lights fade
And now you're just a stranger's dream
I took your picture from the frame
And now you're nothing like you seem
Your shadow fell like last night's rain

For the last time
For the last time
For the last time
For the last time
