

Don't close my eyes
I don't want to dream
Don't want to see your face in my nightmares

Don't close the door
I don't want to feel
Don't want to hear your voice
In the shadows

So tell me what I have to do
'Cause I can't stop thinking of you
Tell me what I have to say
'Cause I can't go on living this way

Don't close my eyes
I don't want to dream
Don't want to see your face in the mirror

Don't close the shade
I don't want to stay
Don't want to feel your touch
In the shadows

So tell me what I have to do
'Cause I can't stop feeling so blue
Tell me what I have to say
'Cause I can't go on living this way
