## **Bulldogs Unleashed**

## **Chrome Division**

I'm hanging around, it's a saturday night I' feeling good, let's pick a fight Get some juices going, while the booze is flowing Take off your gloves and be a man Oooh! I'm feeling good tonight Oooh! Let's rip the place apart Bulldogs unleashed! The rednecks are cheering, the women are panting Prepare for the brawl of the day Now hold my cigar girl, it's time for the kill I'm going in, no holds barred You woman will be mine Watch me take her home Behold what I've become The meanest The baddest Motherfucker of them all! You know it, you fear it, just take your pride and go Release the hounds!! The bartender's loading his shotgun and shouts: "You're outta here by the count of three" We're still hanging around on this saturday night We never left and still we fight
