

So Fragile

Chrome Division

ohhhhhhhhhh yeah!!!!
Back again, so here we go
it's time to turn on the light.
I got something I want to share
And it never felt more alright.
Do I know you from somewhere
I have seen those eyes before
I can't quite remember
I think it might been
On my floor

Ohh...
So fragile
So innocent
So pure
I'm gonna ruin it
All for sure
Ohh...
So fragile
So innocent
So pure
I won't turn
As I walk out the door

Look at me take my hand cause you know
It ain't no turning back
I like you smile I like your eyes and you know
You got a decent rack

Ohh...
So fragile
So innocent
So pure
I'm gonna ruin it
All for sure
Ohh...
So fragile
So innocent
So pure
I won't turn
As I walk out the door

The night is falling
The heat is rising
I can hear your breathe
The way you look me in the eyes
You are ready to receive
