

## Staying Until the End

Chrome Division

I got some money  
Sure got some time  
Come a little closer  
Cause I'm not known  
To be the shy kind

Don't you worry  
Oh let's play  
I got a pocket full of money  
And I'm happy to pay

So bring it all on...  
I've got everything to spend  
So bring it all on...  
Cause I'm staying until the end

Come over honey  
Oh don't you hide  
I bet my ass that I will give you  
Something new inside

Well don't be shy now  
I'm a good guy  
I didn't come here to tell you  
Something new or a lie

So bring it all on...  
I got everything to spend  
So bring it all on...  
Cause I'm staying until the end

That's what I'm talking about  
Show me what you got  
That's what I need know

So bring it all on...  
I got everything to spend  
So bring it all on...  
Cause I'm staying until the end

We want to see it  
Come on and bring it  
We need it right now  
That means right now.
