

Wine Of Sin

Chrome Division

Long legs, good lookin'
Won't you come over here
Red lips, sweet talkin'
Don't you come too near
Here we go
That's right
Come on
You bring the roses
I bring the wine
Tonight you know I'll make you mine
You got a reason
I got a cause
Tonight you know I'll make you mine
Less talk, more drinkin'
We got a lot to do
Her sweat, sweet shakin'
Can it all be true
Here we go
That's right
Come on
Show me your tits!
