Something to say,  
when you're so far away  
and everything flies right by  
like a dream

You're stuck in your tracks.  
There's no turning back.  
I wish I could hold you close  
inside of me.

Girl if it's alright,  
A hundred percent.  
It's intellectual,  
I wanna let you know,  
I won't let you go  
until you say "please".  
Girl if it's alright,  
A hundred percent.  
It's intellectual,  
I wanna let you know,  
I won't let you go  
until you say "please".

How could you forget  
the way that we met?  
The street corner lights on fire  
like a dream.

And since you been gone,  
it's been "to each his own".  
We'll never be side by side  
so it seems.

Girl if it's alright,  
A hundred percent.

I wanna let you know,  
I won't let you go  
until you say "please".

You and I,  
baby we go side by side.  
Me and you,  
tell me what we're gonna do  
You and I,  
baby we go side by side.  
Me and you,  
tell me what we're gonna do
