

Fall Back To You

Chromeo

Lets find the feeling once again
Cause maybe you and I just can't be friends (Ohh yeah)
Lets ride the freeway 'til the end
When loving is so good you can't pretend

I know I left you hanging
But I'm a right my wrongs
I'm a write you love letters
Like I wrote this song
Gonna put a plan together
Gonna put it all in motion
Every single thing I gotta do to fall back 2U

You ought to know I had a lot on my mind (oh yeah)
But it's never too late to try (2x)

Lets finally figure it out
If there's a problem we can air it out
I can't stand to be in a relationship when it stops
If we hit a wall, then watch
That could give us something to talk about
I could be there to catch the ball when it drops

I know I left you hanging
But I'm a right my wrongs
Gonna write you love letters
Like i wrote this song
Gonna put a plan together
Gonna put it all in motion
Every single thing I gotta do to fall back 2U

You ought to know I had a lot on my mind (oh yeah)
But it's never too late to try (2x)

It's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbye [repeat]
