Relationships ain't a democracy
I'm good if you just stay on top of me
It ain't no mystery who's in control (in control)
You're sittin' pretty, I'm replaceable

When we're out and havin' dinner
You get all your drinks for free
I can see who sent them over
It ain't complements of me
I can hear 'em, they're talkin'
I stay in my own lane
I can't blame 'em, though
'Cause everybody knows...

That you've got the juice, yeah, yeah
That's why I keep pressin' ya, pressin' ya
Pressin' ya, pressin' ya
You've got the juice, baby
That's why I keep pressin' ya, pressin' ya
Pressin' ya, pressin' ya

It's usually freezin' when I act this way
When I act this way
But, it's cuffin' season in the month of May
In the month of May
They let you in, but I just stay in line
I just stay in line
The consequence of being way too fine

When we're out and havin' dinner
You get all your drinks for free
I can see who sent them over
It ain't complements of me
I can hear 'em, they're talkin'
I stay in my own lane
I can't blame 'em though
'Cause everybody knows...

That you've got the juice, yeah, yeah
That's why I keep pressin' ya, pressin' ya
Pressin' ya, pressin' ya
You've got the juice, baby
That's why I keep pressin' ya, pressin' ya
Pressin' ya, pressin' ya

I've been a handful, but now I got it right
I'd be a damn fool if I didn't recognize
I gotta keep up, so I should keep it tight
I got a main squeeze, so I better squeeze it right
I've been a handful, but now I got it right
I'd be a damn fool if I didn't recognize
I gotta keep up, so I should keep it tight
I got a main squeeze, so I better squeeze it right

You've got the juice, ooh
Pressin' ya, pressin' ya
Pressin' ya, pressin' ya

Ooh
Pressin' ya, pressin' ya
Pressin' ya, pressin' ya
You've got the juice, yeah, yeah
That's why I keep pressin' ya, pressin' ya
Pressin' ya, pressin' ya
You've got the juice, baby
That's why I keep pressin' ya, pressin' ya
Pressin' ya, pressin' ya

I've been a handful, but now I got it right (handful)
I'd be a damn fool if I didn't recognize (damn fool)
I gotta keep up, so I should keep it tight
I got a main squeeze, so I better squeeze it right (squeeze it, baby)
I've been a handful, but now I got it right (got it right)
I'd be a damn fool if I didn't recognize (recognize)
I gotta keep up, so I should keep it tight (keep it tight)
I got a main squeeze, so I better squeeze it right
You've got the juice
