Beam On

Chromium

I see Lateef out on the floor
She dance, She dance out of your head
Beam on, Demond

Demond has stayed out of the way
She's out of her mind, Not from your time
Beam on, Demond

Beam on, waste your mind
Travel back space and time
Beam on, waste your mind
Travel back space and time
Beam on, Beam on, Beam on, Beam on
Beam on, Beam on, Beam on, Beam on

Now who to touch, Beg her for more
Set you on fire, Forget your desire
Beam on, Demond

Demond of mine, Killer of mind
Love make you blind, Prisoner of mine
Beam on, Demond

Hey you, Disco Man
Keep it up, If you can
Hey you, Disco Man
Keep it up, If you can
Beam on, Beam on, Beam on, Beam on
Beam on, Beam on, Beam on, Beam on

[Instrumental]

I see Lateef out on the floor
She dance, She dance out of your head
Beam on, Demond

Demond has stayed out of the way
She's out of her mind, Not from your time
Beam on, Demond

Beam on, waste your mind
Travel back space and time
Beam on, waste your mind
Travel back space and time
Beam on, Beam on, Beam on, Beam on
Beam on, Beam on, Beam on, Beam on
