

Thank You

Chronic Future

I want to go for a walk outside
I've got nothing to hide
I want to go for a walk outside with you
All complications will end tonight
There's not a person in sight
I need to go for a walk outside with you

Because I want to thank you for all your time
You see you don't even know
How much you ease my mind

I'm bringing more of me to the table I was uncomfortable to sit
at before
The thoughts I had of you remind me of the pattern of the man w
ho's had
The same haircut
For the last thirty years but now he's ready for a change

Bring on the shift of the paradigm
We're at the end of the line
I think I'm readt to walk outside with you

Because I want to thank you for giving me your all
Because it means so much to me

Well this is nonsense
Why didn't I concentrate to find some time to
Tell you that I haven't
Been on the same page as you for a while
Been saving truth in a pile
Standing in front of it
Obstructing your view with my smile
I'm sorry for all of it
I'm sorry for all of it
I'm sorry for calling to you to call in quits
But I hope this isn't it
