Chronixx

A know me give everything what you want girl
Ey, Anything that you need, yes
But a one thing me beg you, please

Don't you take my love for granted
My love for granted, girl
For granted, don't you take my love
And anything that you ever wanted, it's yours
Access granted, girl
For granted, don't you take my love
Woman, whooj

How we cook n' how we clean n' how we wash
And how we rock n' how we run n' how we drive
Around the world for you, why you're
My honey bee, my only woman n' me job
A tell me what you want, my dear
A tell me what you need
If our friend school fi tuition
it is all I need but I beg you, please

Please don't hurt me, Mammi
Woyoy, please don't break my heart
After all the truth feels scared, true to you
Grately for me, new for you
A me now these words ain't new to you
A long time me a beg you please

Don't you take my love for granted
My love for granted, girl
For granted, don't you take my love
And anything that you ever wanted, it's yours
Access granted, girl
For granted, don't you take my love
Woman, uh

A mi nah have nuff issues, no
Chronixx no have trust issues
But a whole leap off changes is we make inna life
And I make dem just for you
So from you see a Rasta youth like me make changes
And now say a rating star
So from ya slip then ya slide
No, if no maybe jah know say your ratings fall

For granted, my love for granted, girl
For granted, don't you take my love
And anything that you ever wanted, it's yours
Access granted, girl
For granted, don't you take my love
Woyoy

Please don't hurt me Mammi
Please don't break my heart
After all me go through, feel, stay true to you
Grately to me, new for you
Me know these words ain't new to you, my dear

Long time me nah ask ya

Please, don't take my love for granted
Don't you take my love
Take my love for granted
Please don't, yes, girl
Anything that you ever want, it's yours
Access granted, girl
For granted, don't you take my love
