

# I and I

Chronixx

I and I  
I will never lose my faith  
I know when we pray

I and I  
I will never lose my faith  
I know when we pray

Know it's gonna be alright  
Mama's gonna be alright  
I know it's gonna be alright  
Jah is always by our side

I and I  
I will never lose my faith  
I know when we pray  
Jah will always be our light

I and I  
I will never lose my faith  
I know when we pray  
Jah will always be our light

I know  
And I can see it so well  
Time will reveal it  
Well don't you let don't you let them see you cry  
You know the moment you see it for yourself  
There's deeper meaning  
To what you feel  
Love will always be your guide
