

There's something about you girl  
And I don't think it's just your smile  
I dunno how to say it now, I've been thinking for a while  
The best way to say it woman; "your energy is right", yes (so right)

Before I hold you in my arms (hold you close, in my arms)  
I wanna hold you in my heart (hold you close, in my heart)  
Before we share our love up on that bed (share the love, share the love)  
I want to place this crown upon your head woman

Girl you're my queen (majesty)  
Eh! You are my queen (majesty)  
Don't you know, you are my queen (majesty)  
Oh! You are my queen (majesty)

Queen of the the jungle, you are the lioness  
Other feline a grumble but you're always tryin' your best  
So when the whole world a crumble, your lion is alright (alright)

Before I hold you close (just before, I hold you close)  
Oh girl I wanna let you know (girl I wanna, let you know)  
That when all is done and all is said (all is done, all is said)  
You deserve that crown up on your head woman

I said queen (majesty)  
Don't you know you are my queen baby (majesty)  
Yes, you know you are (majesty)  
You are my queen, baby (majesty)

Yuh know?  
So hear mi now  
Well mi seh, Cleopatra, Queen Of Sheba, Nefertiti ah yuh higher feature
