

Never Give Up

Chronixx

Never give up the fight
Never give up the fight, no way
Never give up the fight
Never give up the fight, baby

(Never give up)
How many times will you fall in love?
Feel my heart slowly breaking up
How do you know when your time is up?
We're fighting for love

(Never give up)
How many nights have we spent alone?
Enough just to make it on our own
I know it's hard with no one to trust
All of us been fighting since the day we were born
Jah know that we will

Never give up the fight
We'll never give up the fight, no no no
Never give up the fight
We'll never give up the fight

What you say?
How do you know when a man's in pain?
Can't show his weakness, he's got no one to blame
Overstanding the way I feel
Is the best thing in the world you could ever give to me

Just promise me you'll
Never give up the fight
Never give up the fight, no way, ey
Never give up the fight
Never give up the fight

Never give up
Promise me you'll never give up
Never give up
Promise me you'll never give up
If you have to spend
(Never give up)
The rest of your life alone
(Never give up the fight)
Promise me you'll never give up
(Never give up)
If you should wake up and I'm not there anymore
(Never give up)
(Never give up)
Promise me you'll never give up
(Never give up)
(Never give up)
When all of your friends and family are gone, baby
(Never give up)
Promise me you'll never give up

When life gets so cold, so cold and so dark, ooh baby
Promise me you'll never give up - promise me

(Never give up the fight)
Promise me you'll never give up - promise me
(Never give up the fight)

Oh, I'll never give up
(Never give up)
Promise
Never, never, never break your promise ever
Promise
Promise me you'll never give up
Say you promise, oh, promise me you'll never give up
It is a promise
(Never give up)
(Never give up the fight)
