

# Same Prayer

Chronixx

I-I, I-I  
Nyahbinghi order  
I-I, I-I Oh yeah  
I-I, I-I  
I-I, I-I

Jah Jah with me through everything  
I have no fear for anything  
You give me all the strength I need  
To make it through this world I was born in  
Rastafari is my peace of mind  
Jah thank you for your love and kindness  
For every drop of air I breathe  
And for waking me up this morning

And when I'm driving in the streets today  
Please, Jah Jah, never leave my side  
And every little same prayer I say  
And now I'm saying it too, one more time  
Driving through the streets, I pray  
That Jah Jah, begging please, never, never leave I  
Oh, never leave I and I

Rastafari be my eyes, I can't see  
All the possible things people could be  
Jah Jah, be my guide 'cause I can only protect my flesh  
But people wear disguises  
Help me realize  
Teach me love unconditionally  
Can't go around pree-ing everybody  
The closest of friends will deceive you badly  
I learned that Rastafari is my family

So when I'm driving in the streets today  
Please, Jah Jah, never leave my side  
And every little same prayer I say  
And now I'm saying it too, one more time  
When I'm driving through the streets, I pray  
I'm begging you please, never leave I and I  
Oh Jah Jah  
(Don't you leave)

When I am going out, and then I been coming in, please watch over I  
Protect my family when I'm not local, I  
When trodding through these streets, keep my focus right  
No oversight, a buckle feel it's life is so much like  
But with you as my guide and shield  
Any pain I might feel, time will heal, yeah  
It's a joy to know it's signed and sealed  
Confident in the victory  
Anytime you see the naughty

Trodding in the streets today  
Please, Jah Jah, never leave my side  
And every little same prayer I say  
And now I'm saying it too, one more time  
When I'm trodding in the streets, I pray

Jah Jah, never, never leave I and I  
Yeah

I-I, I-I, oh, Jah Jah, please  
I-I, I-I  
I-I, I-I  
I-I, I-I

(Never, never)
