Chronixx

...Ya cyant live so baby...

Why oh, why oh
Why oh why oh why (whoa whoa whyyy-oh) [x2]

Listen mi nuh daughter (listen up baby, listen up baby)
I know tired of the stress, and the strain, and the city life
Come let we drink jelly water (yes-I)
Darling mek we mek a narrow escape
From the hustle and bustle tonight

And I don't know where you wanna go
But I'm willing to take you there
Girl, just be who you wanna be
Once you're with me baby have no fear
So much beautiful things to see
Girl, don't waste your life
And there is only one love to give
Girl, we nah waste no time

And I don't know if a beach or if a river side
But I wanna take you somewhere tonight
And I don't know if a beach or if a river side
And I don't know if a hill or valley
But I beg ya come chill with Chronixx tonight

Why oh, why oh
Why oh why oh why (whoa whoa whyyy-oh)

I say fi put down di book dem (I beg ya put it down baby, put it down baby)
Exams done from last week and mi sure say you pass
Girl put on a short, stretch ya foot dem (yes, girl)
Where we are going it's not that far
Park the car and mek we take a walk

And I don't know where you wanna go
But I'm willing to take you there
Me nah no if a bike or a bicycle
But baby come mek me take you somewhere
And I don't know where u wanna go

So much things to see

And I don't know if a beach or if a river side
