

# Survivor

Chronixx

Ahhhh  
Never let ya down  
Ahhhh  
  
Run away soldier  
Freedom fighter  
Why you living so, living so dangerous

Young black tiger  
Stronger and stronger  
Don't you let, don't you let them change who you are  
They will love you and then turn round and break your heart

Jah never let, let you down  
Jah never let, let you down

Junglist warrior  
She's a rebel survivor

Why you living so, living so  
Why we make it so, make it so

Lioness ruler  
Mother of the future

Don't you let, don't you let them corrupt your mind  
Stand up for the ones who were left behind

Jah never let  
Let you down (No way)  
Never let  
Let you down

Jah never let  
Let you down (No way)  
Never let  
Let you down

Working harder  
Day and night  
(Never let you down)  
Just need a little sunshine

Working harder (yes we got to fight)  
Day and night (to survive)  
Just need a little sunshine

Working harder day and night  
(you know we moving)  
Just need a little sunshine  
(To survive)

Survivor, survivor  
I can depend on you  
Survivor, survivor  
All the struggles that we've been through

Survivor, survivor  
I can depend on you  
Survivor, survivor  
All the struggles that we've been through

Survivor, survivor  
I can depend on you  
Survivor, survivor, survivor  
All of the pain we've been through
