

# When I See You

Chronixx

When am down, down an down  
I don't cry I just do as I like  
And I see you, I see you

When am down, down an down  
I and I never ever wear a frown  
Cause I see you, I see you  
I see you

Most high Jah never left mi yet  
Inna di middle a di desert him protect mi step  
And yuh never fi get mi yet  
Fi get mi not, yo watch every step mi meck  
And yo always a guide mi  
And yo reassure mi seh yo deh beside mi  
Some a dem no know mi and dem no like mi  
A Jah mi put before mi meck dem gwaan fight mi

Because mi never give in to babylon  
All dem a carry one mi still a carry on  
Sing I sweet charion  
Under di wings of love Jah, Jah, carry mi on

Mi never give in to babylon  
The wings of love Jah, Jah, carry mi on  
Hey a him a carry mi on  
A Jah, Jah, him a carry mi on

Well tell mi why mi fi vex up  
When di linam and mi know me next up  
Patience is a virtuous  
So mi naw sell out fi Benz and Lexus  
Me wear a smile all when mi a walk from Kingston to Texas  
Mi no have no bus fear fi tek bus  
And mi phone cut off no have nothing fi text up

Because mi never give in to babylon  
All dem a carry one mi still a carry on  
Sing I sweet charion  
Under di wings of love Jah, Jah, carry mi on

Mi never give in to babylon  
The wings of love Jah, Jah, carry mi on  
Hey a him a carry mi on  
A Jah, Jah, him a carry mi on
