Field of battle, no graves
Memories not meant to save
Dawn of warfare, no tears
Victory find me here

Soldier not a glant
Standing tall, defiant
Warrior of wisdom
Sing our song of freedom

Warriors one and all
The soldiers war call

I control the sands of time
Freedom to defend what is mine

One day the tide will turn
The Phoenix burns
From the realm of worms
Forever Phoenix burns
Though the oceans may run dry
The Phoenix never dies
Though the mountains all may fall
Phoenix burns throughout it all

Field of battle, no graves
Memories not meant to save
Dawn of warfare, no tears
Victory find me here

Soldier not a giant

Standing tall, defiant
Warrior of wisdom
Sing our song of freedom

I control the sands of time
Freedom to defend what is mine

One day the tide will turn
The Phoenix burns
From the realm of worms

Forever Phoenix burns
Though the oceans may run dry
The Phoenix never dies
Though the mountains all may fall
Phoenix burns throughout it all
