

# A Lotta Limbo

Chubby Checker

Let's do the Limbo side by side  
Make sure the Limbo bar is wide  
Now, that we know the Limbo how  
We gotta lot of Limbo now

I'd build a Limbo room for two  
So, we can Limbo day all through  
'Cause, baby, what I wanna do  
Is dance a lotta Limbo with you

And as we Limbo side by side  
And under Limbo bar we slide  
I see the Limbo moon above  
There's just one thing I'm thinkin' of  
Love!

A Limbo house for two  
I'd build a Limbo room in blue  
So, I can Limbo just with you  
We gotta lot Limbo to do, ha-ha-ha-ha

Come on, baby  
Hold my hand  
Here we go!

(La-la, la, la, la-la, la-la  
La-la, la, la, la-la, la-la  
La-la, la, la, la-la, la-la  
La-la, la, la, la-la, la-la  
La-la, la, la, la-la, la-la  
La-la, la, la, la-la, la-la  
La-la, la, la, la-la, la-la  
La-la, la, la, la-la, la-la  
La-la, la, la, la, la-la-la, la)

Here we go  
Easy, baby, easy  
We made it!

Oh, baby, baby, in time you knew  
I have but crazy love in you  
Give me your Limbo answer do  
I got a lotta more love for you

I can't afford two Limbo bars  
But just as long as love is ours  
You look so neat as you go through  
Beneath the Limbo bar just for two

And as we Limbo side by side  
Together like a man and bride  
I see the Limbo moon above  
There's just one thing I'm thinkin' of  
Love!

A Limbo house for two  
I'd build a Limbo room in blue  
So, I can Limbo just with you

We gotta lot Limbo to do

Play that thing

Ah, it's a-nice

Go low, baby, go low

Lot's a-Limbo, ah
