

Limbo Side By Side

Chubby Checker

Ah, yeah
Everybody, now

(Come on, let's Limbo)
(Come on, let's Limbo)
Oh, baby, take me by the hand
And Limbo in the sand
Everybody, hep
(Come on, let's Limbo) Hup
(Come on, let's Limbo)
Make sure the Limbo bar is wide
We Limbo side by side, hoo

Sweet girl let's take a ride
Down by the oceanside
Just like the man and bride
Gonna do the Limbo side by side, wah

(Come on, let's Limbo) Yep
(Come on, let's Limbo)
Oh, baby, take me by the hand
And Limbo in the sand
Everybody, up
(La-la, la, la, la)
(La-la, la, la, la)
(La-la, la, la, la, la-la-la)
(La-la, la, la-la-la)
Ah, get up, woo, ha-ha

Oh yeah, oh, babe, in time you knew
I'm crazy over you
Give me your answer true
And I'll do the Limbo bar with you

(Come on, let's Limbo)
(Come on, let's Limbo)
Make sure the Limbo bar is wide
We Limbo side by side, ah-ya-ya-ho

Oh, so, twinkle Limbo star
I know just what you are
Above the world so far
When you go 'neath the Limbo bar, alright

(Come on, let's Limbo)
(Come on, let's Limbo)
Ah, baby, take me by the hand
And Limbo in the sand
Altogether, now
(Come on, let's Limbo) Oh, no
(Come on, let's Limbo)
Make sure the Limbo bar is wide
