

Oh Susannah

Chubby Checker

Oh Susannah don't play that Pee pee anna
Oh Susannah I wanna make love to you

I came a knockin' at your door
You know what I'm a knockin' for
But I sit around and wait
Why you wrap that eighty eight
Oh Susannah are you blind
Can't you see there's something on my mind
Hey

Oh Susannah don't play that Pee pee anna
Oh Susannah I wanna make love to you

Yeogh baby I've got plans for you
The crazy things we're gonna do
While you wait to meet the band
Honey I can't even hold your hand
Oh Susannah don't be cruel
Ar don't you keep me waitin' like a fool

Oh Susannah don't play that Pee pee anna
Oh Susannah I wanna make love to you
Whooo Yeogh

Yeah Yeah Yeah Yeah Yeah
Ar ya swingin' up a storm
My feet is gettin' mighty warm
I gotta lotta kisses too
I've been savin' up for you
Oh Susannah please be kind
Can't you see there somethin' on my mind
Hey
Oh Susannah don't play that Pee pee anna
Oh Susannah I wanna make love to you
