

## She Said

Chubby Checker

She said that he said that you said you got someone new  
But I ain't gonna do a thing 'til I hear it from you, yeah  
Oh, people won't let us be  
They either talk about you or talk about me  
He said that she said that you said you got somebody new

She knows that he knows that they know that I love you  
You know I'm gonna stay with you, I'm a-  
stickin' like glue, yeah  
You gotta call me to my face  
'Cause I won't believe that our love was sanitized  
Though she said that he said that you said you got somebody new

Oh, don't you know I've been walkin' and talkin'  
Just to get to you  
I've been a-hopin' and prayin'  
How you love me, too

Well, doncha know that if she said that he said that you said y  
ou got someone new  
But I ain't gonna do a thing 'til I see what you do, yeah  
Baby, let me put you wise  
You better let me know it's nothing but lies  
But she said that he said a rock said that I love you, yeah, ye  
ah, yeah, yeah, yeah, ha, ha-ha

Hey, yeah, yeah, yeah, I've been walkin' and talkin'  
Just to get to you  
I've been hopin' and prayin'  
How you love me, too, baby, baby, baby

She said that he said that you said you got someone new  
But I ain't gonna do a thing 'til I hear it from you, yeah  
You've gotta talk me to my face  
'Cause I believe that our love is gonna say it's ain't  
She said that he said that you said you got somebody new

'Cause I don't believe  
What he said and she said  
Because I love you  
Yeah, I really, really, really love you, now, yeah  
Yeah, baby, I love, love only you  
I love, love, love, love, love, love you
